### Dear Member

First of all a big thank you to those of you who attended the AGM. It was a lovely day.

We have plenty of things to share with you this quarter including:

- Minutes of the AGM and break-out session
- All Members: Survey
- Call for WeSET volunteers
- Last chance to waive interest
- Climate Coalition Action Week & Community Energy Fortnight
- Westmill in the media
- Opportunities with Ethex

Best wishes

### Information from Westmill Solar AGM

The minutes of the 2017 AGM held at Cornerstone Arts Centre on 20th May can be downloaded [here](#). These minutes are draft until approved at the next AGM in 2018.

You can also download our [notes](#) on the Community Benefit 'break-out' session that took place before the AGM.

---

We hope that those who attended enjoyed the day, and if you couldn't make it, you can still [watch it online](#).

---

## Survey for ALL members

As a co-operative, we want to make the most of being member-led - that's why hearing from you is so important to us.

Whether or not you attended the AGM, we want to hear about your experience, and how we can do better.

We would really appreciate it if you could take a few minutes to answer our feedback survey, and as ever, get in touch with us by emailing [info@westmillsolar.coop](mailto:info@westmillsolar.coop) if you have queries or comments.

[Feedback survey](#)

---

## WeSET need volunteers - can you help?

The Westmill Community Benefit Fund is stewarded and distributed by Westmill Sustainable Energy Trust (WeSET).

WeSET have put out a call for more support in their work from members to come and volunteer on site on various occasions

They are embarking upon a new education program to teach children about the importance of solar. Please get in contact with them if you are interested or available to help: [visits@weset.org](mailto:visits@weset.org)

---

## Reminder: Deadline to opt to waive interest

30 June is the deadline for opting to waive your interest (you can waive for this year only or until you notify Resgistry Trust otherwise).

If you would like to waive your interest, please click [here](#) to download the waiver form, and return it to the Registry Trust.

## Climate Coalition Week of Action and Community Energy Fortnight

Westmill is supporting The Climate Coalition in its [Week of Action](#) (1-9 July) and Community Energy England for the Community Energy Fortnight (24 June – 9 July).

We'll be putting our case to the new climate change minister for stronger policy to support community renewable energy. Read more about it on our recent [Westmill blog](#).

If you'd like to get involved, you can find out how here: <https://weekofaction.org.uk/> or email [richard.benwell@wwt.org.uk](mailto:richard.benwell@wwt.org.uk).

---

### Westmill in the Media:

- CBeebies has contacted Westmill in the hope of using the site to film a documentary for their children's program 'Down on the Farm'. Nothing has been confirmed yet, but watch this space!
- Robert Llewellyn of Red Dwarf fame has recorded an episode for his Youtube channel Fully Charged (which gets 60k-100k views) in which he talks to Good Energy and Selectricity. [Westmill get a good plug](#) in the interview.
- 17 June - 1 July is Co-operatives Fortnight, a period of concerted promotion of co-ops by co-ops across the UK. The campaign encourages people to share stories of how co-operation makes a difference to people's lives. On 24 June a post from one of our directors Richard Benwell, will be going out. You can see Richard's and others posts this by checking out the Co-operative Stories [here](#).
- Operation Noah produced a 'How to' booklet for churches who want to divest/reinvest. Westmill Solar have a featured photo (page 12). The booklet is available [here](#).

---

## Offers listing on Ethex:

- [Future Wolverton Old School Project](#) - Future Wolverton is creating a community hub and education centre by refurbishing the Old School building in Wolverton. **SITR eligible. Community Shares Booster Programme.**
- [Orchard Community Energy](#) - Orchard Community Energy's 2017 solar bond will support their 5 MW solar array at Orchard Farm, Iwade in Kent.
- [Gower Regeneration](#) - Gower Regeneration is a 1MW community-owned solar farm providing clean energy whose financial surpluses will fund community projects. [move](#)

## Work at Ethex:

**Operations Assistant** - Acting as customer services champion within our small, friendly and committed organisation, you will support our highly engaged new and existing investor network and make sure our order management process is well maintained.

**Full time, permanent, Oxford, £19,000 - £22,000**

**Deadline 10<sup>th</sup> July. Interviews 12<sup>th</sup>/13<sup>th</sup> July.**

**Contact [help@ethex.org.uk](mailto:help@ethex.org.uk)/01865 403304**
